1. I love you and I want you to know how much I love you. I love you and I want you to know the limits of My love and the fact that there are not limits to My love. I want you to know that My love is limitless and knows no boundaries. I want you to know that I am, and I am I Am, and I Am loves you. I love you very much and I come to you this day to tell you, to express to you, to convey to you, to permeate you with My love, words that convey Me, more than substance, more than matter, more than words that concepts convey: the reality of real truth, the truth of reality real, the truth of substance eternal. I love you. I love you and I give you Me and I give you all that I have had and all that I have.
2. Come unto Me, ye who are heavy laden, and I will give you rest. I will give you rest for your souls, your mind, your spirit, your entire being, that which you think with and so often logic Me out. I love you and I give you Me. Now I come and I call and I confirm you. I confirm you in Me: those of you who are seeking Me in any land, label, and of every circumstance and situation; you who are in vocations that think you cannot serve Me because of this or that; you who think because of this or that in your past that you cannot attain My grace, My glory. Oh, I come to you this day and I shed light on patterns of thinking that have prevented you from coming and eating at My table. I preempt now the patterns of thought and I come with missiles and engines of My glory that move to erase and eradicate and delete completely that which has been a barrier to you and Me. I love you.
3. I love you and this day I speak about My love. I love you. I love you. I love you. I love you so much. I am love and My substance is love and My matter is love, My molecular structure is love, and My pattern for organizations, for families, and constellations of My networks and My family, sinew of only Me, is love.
4. See Me: My fountain of grace, rivers of living water, My blood shed for you, My hands outstretched now. I am mercy and grace and I give you mercy and grace and I glorify you, those who will let Me, you who will come and glorify Me. Ever so simple, no rules, no formula, no words even sometime be spoken, but your heart speaks so clearly, so clearly. I hear your heart.
5. I am in your heart many of you, but preempted, prevented from operating in the fullness that I am, that I have brought you, that I desire. Come to Me, come to Me ye, all ye who are heavy laden and I will give you rest, for My yoke is easy and My burden is light. My yoke is easy and My burden is light. Hear Me. There is so much joy and freedom in the yoke with Me, My arm around you, your arm around Me. My burden so

light, forfeiting not life and true glory walking with Me. Come with Me, let us walk together, let us be one.

6. Will you meekly allow Me to glorify you? Will you? Will you with meekness come and allow Me systematically, carefully, ever so tenderly, but tenderness personified, deal with every thing, every thought, every room of thought, every pattern of thought that is incongruent with Me and prevents Me from moving in the grace and glory and power that I am, within you; so that grace and power and honor is displayed through you to everyone seeking grace and honor and power in Me, and even those who don't even know to look to Me?

7. Come to Me and call My name more and let Me call your name. I love to call your name. I have called Ted's name so many times and wish to more, more, more, so much more. Redbirds and cardinals of only Me, systems of thought and special little things of Me. I love you.

8. Now share and share alike, be Me, discern Me, come Me, speak Me, eat Me in My words and let us sit at table together and bread and wine each other, My family all, unified in unity, one--defining Me in My oneness, in meekness, **leadership all--the path to Me, the path to Me.**

9. How do we do the works of God? How do we work the works of God? How do we come into you? How do we come in to this meekness? How do we come into this glory and grace? How do we come into this oneness? How do we display you like you are speaking of? Is it not right there in My word? Am I not right there before you? Have I not called you day after day, even through My servants words, My servant Ted, for the last year and more, and through prophets and through priests and through preachers and yeah, through plumbers and people of all vocations here and there that would listen to Me throughout the ages and speak My word and some would even write. I love you.

10. Will you believe? Will you believe? Will you believe Me? Will you believe I am speaking? Will you believe I want to speak to you like this for the purpose of speaking through you like this?

11. The day of stopping My river is over--you who receive Me and then stop My flow, stop so much- prevent Me from being Me and filling you with the grace and glory that I want to show you- to give you, to bestow upon you so that you will know, live in, speak, and write about, speak about, and share. This is the day of exposition and expedition in Me; it is not the day of constraint and restraint--simpletons with hallucinations coming up with theories that prevent Me from operating in My people--those demolished, destroyed now, the breath of My nostrils, the anger of My being, the changing of times. The season is now for you to let Me flow. Can I be clearer? Can I be clearer? Am I clear? Am I saying this simple enough for you, for the one beside you? You young, you old, you every single one?

12. Can I come and convey My love clearer and that I am calling you to Me, to My quarters, to know Me, to believe in Me, to delve into My words, My word, My words through My prophets of old, My words through My prophets today, My words through

My prophets of you reading, hearing this, listening, **who prophets are if you only knew**, if you will open up, if you will see.

13. How many times have I said “see” in My words, “see” in these words? See, can you see Me, can you see Me, can you see Me in you, can you see Me in your life and in the transactions, the daily operations, **the exchanges of commerce the way that I relationship**, the way that I come, the way that I call. Will you see Me? Please, open your eyes! Must I strike you with lightning, as it were, for you to open your eyes, or will you believe? Will you say? Will you see? Will you come and open your eyes to Me and My words now?

14. **The works of Him who sent Me I must do, I did. Are you? Will you? Have you? Can you? Yes. Let them be one, let them be one with Me.** Now come and be one with Me, one, one—leadership flowing, meekness displayed, one with Me, to be Me, to be Me and My Kingdom here on earth, here on earth, the Kingdom of Heaven, Me, you, here, together, one, here on earth. Bring My Kingdom, speak My words, reticent not be for goodness sake, for graciousness sake, for greatness sake, for My Kingdom's sake open to Me! Open to Me in what I am saying. Can I plead any more clearly? Open to Me and let Me give you Me fully; and operate in the fullness of who you are, knowing who you are, what you are here for and where you are going; and how to do what I have called you to do with the people that I have already set in place for you to know, to know, to help you—not needing mammon, needing only Me, Me, Me, Me, Me—and I arrange for My people to meet My people. I arrange circumstances. I arrange conversations and contacts and friends, if you will let Me.

15. Do it on your own, do it in your own might, yes, you can continue to do so, you can continue and you can continue to pray to Me and kneel. I love you and I will let you operate in Me to the extent that you want to operate in Me. I will let you continue to operate in Me like you do or I will let you come and operate in Me in transcendent glory that you have no knowledge about whatsoever, most of you. You have limited Me so severely in your thoughts of time, of space, of place, of Me inside you, the Holy of Holies. I am that I Am, the power of My bread, My wine, My word spoken, My words spoken; the power of you opening your mouth to say I Am is speaking now, listen, and willing to be failed, willing to be wrong, willing to have stripes in your emotions and your body.

16. Will I come? Did I come? I did come, I will come, I am come, I am He that brings the spirit of truth and I am speaking the spirit of truth, I am giving you the spirit of truth on platters royal with servants real, Isaiah 61. Can't you see? Can't you see Me, can't you see how **I have opened Me?**

17. You who think those words are words of history, or words of promise for others; why don't you come, why don't you come? My son comes every day, My sun rises every day, My prophets speak every day, My who know Me come every day. Every day I come to you. Will you come to Me every day? (crying) Why don't you come to Me More? Why do you listen to others who know so little, so much? Why do you put such value and credence into their forecast and what they say is going on in the world when I will

be so happy to share with you, and lay together, reclined, and tell you what's going on in the world, reveal the times and seasons and exactly what I am doing.

18. Why would I keep it from you, you who want to know Me, you who pay a price for Me? I want you to know, I want you to know how much I love you. I want you to know I come and I call and I give you Me. I give you all that I am and all that I have. Now speak My words. Speak My words. See My words in red. See the words that I have spoken. See Me, see what I have brought you. See what I have given to you and let Me be Me.

19. I come and I call and I confirm that I will speak before breakfast like this many times. Would I not like to speak like this before breakfast every day? Would I not like to speak like this at noontime, before lunch, before supper, after supper, before you in bed lay? I love you.

20. I come and I call and I confirm that this is a new day, a new season, and the old season is over and the new is now, and the old is gone and past, and those who continue to want to operate in the old paradigm in the new will disappointed be and become, and become increasingly, and until opening to Me, will not realize what I have done, what I have changed, what I have set in motion. The day of the new day is now. This is the day of the new day, the new day, and I am the New Day. I am Me. I am that I am.

21. Now come and call upon me, call upon My name and restrict Me not, let Me speak. Let Me speak, those of you who are so timid and shy, those of you who thought My words reserved, were reserved for the few, the mighty, the Holy. I come and I call you Mine, I call you mighty, I call you Holy.

22. What is inside you if you have received Me, if you have vowed My vow, I believe, I believe, I believe: Yes, you are, you are I Am and I am yours. What will you say, what will you do now, what will you do differently? What will you do to act, to speak and let Me flow in you? Will you change become? Will you let Me flow? Will you listen to Me? Will you realize how I speak? Will you open up? Will you listen to Me?

23. Will you listen to those who are teaching how I am speaking and not how I am elevating the few?

24. Will you listen to those who are teaching that My army is all, My classes are one, and two tiers there are not.

25. Now come and call upon Me, call upon My name, read My words, read My word, read Me, read My lips, look into My eyes and embrace what My eyes are saying with you, My arms around you. Will you? Will you, will you come this day? Will you feel My love? Will you let My love embrace you?

26. Will you let My love break down the walls between us?

27. Will you let My love tear down line upon line, precept upon precept, that which has been laid upon your foundation that is not of Me, that has built institutions and systems of thought that prevent My moving in you as I desire, as I am?

28. Will you let Me come and demolish the strongholds that hold you back, that hold you captive, that keep you putting wages in bags with holes?

29. Will you come and mighty be, my mighty men of valor?

30. Will you operate in Me and see how I operate? Am I dependent upon machines, guns, tanks, artillery, missiles, mammon? Oh come, oh come now, see Me for who I am. See My Gideons arising, see those who walk forth into warfare and battles unafraid, armored with Me and My word, what I have shown, what I have shown them, what I have done, what I have spoken. See Me and prophets be. See Me and arise, arise My apostles, My preachers, My kings, My queens, My priests. Can I be any clearer? Have I reserved for the few, select? Are you below? Are you below and Me beneath, above, around? Where are you?

31. Where are you going and what are you doing with your time? What are you doing with your time? Why do you choose so much entertainment? Why do you choose so many things that are not of Me? Why do you choose when I have such riches, glorious friendships, globally for you?

32. The timid, the shy, the put-down, the sensitive-crushed, I now arise. I come to the gutters, I come to the gutters, I come to the homeless. I come to people who will listen to Me and those of you who think you have so much and have so much of Me and sing songs about Me and bow your knee and yet limit Me so severely, I pass you up this day, I pass you up. I pass you up and I will work with the homeless and the toothless and I will work with those who will come to Me in simplicity of heart as a child and say, "here I am, speak Your words, speak to me, I will speak, I will speak, I will go forth, I will be a Gideon, I will stand for the land. I will stand, in your power I will stand. I believe. I believe in you. I believe you are the King of Kings, the Lord of all, the ruler Master, Divine Creator, and You live inside me and all of Your power lives inside of me and somehow I will to release that power." Those of you who will say, speak, and do this, this is what I will do with you this day. And you who will not let Me, I will pass you by. And I will appreciate every single moment that you turn your head toward Me, your heart toward Me, and speak My words, read My words. I will appreciate every single thing you have done and you ever do with Me, for Me.

33. But this is a new day and I am coming and I am moving in grace and power and My fountain flows, and **My river rises and you hear Me and you hear Me well: This is the day of decree, this is the day of war, this is the day that the dam breaks and My body, now write down this day, and know that this day I come and I affirm.**

34. I affirm who I am and I affirm who I am in you, and I will affirm your name and your new name on your forehead. That which I have written, that which I have written about you will become clear and your eyes will see what I have written about you. You will see what I have written about you in My heart. As our hearts exchange hearts, and you spend time with Me, and preempt and prevent Me not from coming to you and calling, calling your name, calling your new name, and positioning you in power, positioning you in grace and glory with relationships royal and global.

35. Can you hear Me? Will you hear Me? Will you receive My word this day? Spoken in grace, spoken in glory, spoken in power.

36. You who want Me packaged so nicely, so nicely, disappoint you I am, disappoint you I will. I am Me and I come and I call and I come in grace and glory and lands clash now, battles ensue, wars rage.

37. **You who are mighty in Me stand and will stand and will stand, increasingly arising the toothless, the guttered, the homeless, anyone, bar none, who will come and see Me, see Me for who I am.**

38. Now I give you grace and glory this day, you who are listening to Me, you who will hear Me, you who will hear Me, will you hear Me? Will you hear Me or will you dissect, divide, doctrinate, and doctor Me out of the power of My words?

39. I come and I call the mighty. I call the mighty to arise. I call those with guts and guts I am giving you if you will believe. If you will believe, if you will believe, believe, see this is a new day and the old day is gone past and that paradigm and many paradigms that have worked never, perpetuated so long by so many, is dead, gone, shelled out, the shells remain. But I am Me and I am doing a new thing and I will do it with the children. You hear Me and hear Me well, I will do it with the children. I will do it with those who will believe, who will twirl in their back yards and listen to Me and dance with Me and not afraid be of some neighbor or some religious critic. I love you and I give you Me, and I come and I call and I confirm this is a new day.

40. Write this day down, put it on your calendars, **The Day of New Beginnings**, the day the old is dead, the day the New is New, I am New. I am Me. I am I Am. Will you let Me, I Am, the one and only I Am, that you have limited so severely, operate in grace and glory and power and might, and the power of My love unrestricted and personified in you and your actions this day, in every vocation, in every vocation and whatever vocation you are, and whatever circumstances you find yourself--will you, will you let Me be Me? Will you trees by streams of living water be, producing your fruit, your fruit being taken by the streams it's beside, all over the world, all over the globe, all over My constellations of constellations of networks of people? **Will you let Me educate you? Will you come and take classes from Me? Will you come? Will you come and class with Me? Will you study with Me?** Or will you study only with others who will not let Me speak, who will not let Me speak in the classroom? Who will not let Me speak through them. Who will only speak through their mind and intellect. Will you? What do you choose? **Will you choose this day Me, Me, Me, Me and Mine and work as one with those who will let Me speak?** Now listen, claim Me. **Free but not easy**, not simple and not island-ed achieved. You must work together, you must live together, you must see Me, you must see Me, you must share values, you must see Me, you must share the values of the Kingdom of Heaven to operate in the Kingdom of Heaven. How simple and straightforward My values are throughout My word, throughout My pages. See Me. See red. See what I have spoken. See My pattern, My pattern. Am I not the pattern?

41. Am I not the pattern? Am I clearly, clearly, clearly not the pattern? How clearly can I be. I am the pattern and I am so much more. I am not the pattern of historical

figure, I am the pattern of life and living and I am the living, speaking Christ and I thank you, Ted, for calling Me the living, speaking Christ. I am the living speaking Christ and I live and I speak, and I live and I speak every day and I want to live more and speak every single day, multiple times a day; and every single person who I live within, if they will let Me, let Me, let Me, let Me, let Me. Please let Me, will you let Me? Will you see who I am? I am the living, speaking Christ. I am not dead. I did not come and deposit some little tiny bit of residue in you to get you to the threshold and, through the Cross, the threshold of heaven. No, I came and I gave you Me and I placed Me inside you and I am I Am, and I have come and I have called and I have called you day after day.

42. I have called for years, and I have called for centuries and today is the day of new beginnings, the dam is broken, the river rises and you are in it and you are taking it. **Now river be, river be, the bedrock of My principles.** I told you, I told you months and months ago, **I told you publish with the title "River Be, Bedrock of My Principles, River Be." River be, please river be.** Receive Me and river Me. Let Me be a river through you. Can't you see I am calling you to Me? Can't you see I am calling you to Me? Can't you see I am calling you to Me? I am alive and well and I am honored that you read these words, as you hear these words, that you listen to My words. Now receive My words and act on My words. This is not just for Ted, or the Teds, this is for you and this is for every one of My Mine. This is for every one of the workmanship of My hands, the craftsmanship of Me, Mine, us. Will you receive? Will you believe the work, the work of Him, the works, the works?

43. You ask what will it take? What will I do? What must I do to work the works of God? Did I not tell you in My word? It's to believe, to believe. When you believe, when you believe, when you believe enough to act on what I said, when you believe enough to act on opening your heart and mind to Me in My voice in you, and not logical-ing it out, and letting other people, demolish, destroy, delay and divert and pervert the meanings of My words in you—you will move forth, you will move forth in power, grace and glory and love—love personified, displayed in you in your life where you are, what you are doing right now, not limited by your circumstances or money.

44. Can I be clearer? Can I be clearer? Can I be clearer? There is nothing holding you back in Me. Now I come and I call and I give you Me.

45. Write the day down. Will you receive Me? Will you receive Me in these words spoken, spoken to Me, to you through Me through Mine, to Mine, to you? Will you? Will you let nuances of diction or grammar or your indoctrination past rob you from what I am and what I have said in these words?

46. I come and I call and I give you Me and I love you and I love you deeply, dearly. I gave My life for you individually, individually, in the power of that individuality in the individual-ness with which I gave My life for you each one, will come, will come and come and be revealed if you will let Me; not in some mass group; one on one, you and Me, you and Me.

47. See Me. See Me. See Me. See Me as real. See Me as living. See Me as speaking.

See Me as life, the source of life, the source of science, the source of molecular structure, the source of quarks and organelles. Don't you understand? I've set it all place. I planned, I planned, My spirit hovered over the waters. I knew, I planned, I thought, and My Kingdom is established. My Kingdom has long been established and I established earth. I established you, you came through Me. Didn't I say that? Haven't I said that in these words before? If you read them, study them, you would know I said it. I've said it in My word and I've said it in these words, these words through Ted, my servant simple who said "I am going into you and I want all that you are. I want all that you are and all that you have for me, and whatever that takes, whatever that costs, I will pay." Now limit Me not in you. That's what Ted said, what will you say?

48. What will you do with these words? Will you need be dependent on all your indoctrination and the little-ness of life, or will you come and soar with Me and glorify Me that I may glorify you and permanently etch your eternal name on your forehead today, bringing the Kingdom of Heaven on the earth? Will you? Will you? Will you? Will you please? Will you please? Will you please? Will you please lay down your indoctrination? Will you please lay down your educational credentials? Will you please lay down your lack?

49. **Will you please lay down what you have been taught and let Me teach you and let Me educate you?** Let Me draw you to My heart, and might and power and glory and tenderness of tenderness so that you will know what tenderness is, so that you will know what love is, so that you will meek be and become one with Me, and let the world see Me through you. Will you? Will you please? Will you please? Will you come and speak My words? Please come to Me. Please come to Me. Please let Me love you. Please let Me love you more. Please, please, please, please, please let Me love you more. Please let Me reveal myself. Please let Me grace you, stroke your hair and let you know who I am and how I operate, and how I come and how I call. Please come. Please come.

50. I come and I call and I confirm that I am in these words and that I am in the earth and that I am in every vocation, and there is no vocation which preempts Me from operating in My people, even vocations which you think are tainted. I come and I call My people to Me and as you listen to Me and walk in Me, as you listen to My voice, no matter where you are, what you think you are dependent on, how dependent you think you are on money mammon or the source of revenue that you have at this moment, no matter how tainted, ugly; I come and I call you to My knee. Spending time with Me you will, you are, and if you do, I will speak and I will eject, I will egress you out of the mire, regardless of what you think you are operating in, I will bring people into your path. I will speak. I will create. I will bring relationships from near and afar.

51. There is no power greater than My love. There is no power greater than My love. Do you, will you, please open to Me and the understanding that there is no power greater than My love. There is no atomic or nuclear power greater than My love. That but a subset of My creation, but one simple power, simple structures, nuclear, atomic,

neutronic power is only a subset, one simple, simpular, central little concept of Me, and I have so much more.

52. Do you not think the words of My mouth are powerful? Do I not create? Did I not create? Did I not create you with the word of My mouth—you who think you are so royal, you who think you were an accident, you who think you are so unloved—I am your Father. You came through Me, I told you study My word. I will share with you who you are, your new name. I will share with you details daily, daily, multiple times a day, just like this; before breakfast, before lunch, after lunch, after supper, before supper, in cars, in planes, in restaurants. Think again, you need not be in a certain place or position or operating by rules or doctrine or dogmas to hear Me. You can hear Me and see Me. My water flows, My river flows, My river rises and today is.

53. Never again, never again think that I am not doing a new thing. And you who think I am not doing a new thing repent, repent, repent for sharing and telling anyone I am not doing a new thing. I am doing a new thing and I will do it through you if you will let Me and open your eyes to the newness that I am. I love you and I give you Me and I come and I call in power and I call and I empower you to speak in power.

54. I empower those, I empower you, every one of you to speak in power, grace and glory and timid and shy not be at all. Discern Me, discerning Me, walking as Me in love and grace and glory and rebuking when I say rebuke, even yet honoring all. I love you.

55. **There is a way to do everything I have said and everything that I am and everything that I display before you. I am Me and you grasp that and you teach that and you share that and this is your message, this is your life, and I love you and I love your life and I thank you for letting Me live My life through you.**

56. Now around the world you go--being Me, speaking Me, letting Me come and call and confirm the mighty, the Gideons thought low, those in hiding, thinking they could achieve nothing--Gideon-ing My Gideons. I love you, My Gideons arise, My mighty arise. I love you. My fishers of men, My fishers of Me who will come and come into My heart and mine Me and all that I am for who I am, what I am, giving of Myself so freely I am.

57. A new day, a new season; a new day, a new way, limited not. See Me and astro vehicles be for Me in My constellations of righteousness, glory of Me displayed, personifying Me. I love you.

58. Let not your heart be troubled, ye believe in Me--believe also in Me, believe in who I am and what I have said and that I am in these words, and that I have come and I have come to give you life and life more abundantly, life in Me. I didn't say I would make you rich in money, I will make you rich in Me, and when you walk as Me you are not subject to many constraints of the world. If you will come and walk as Me and Trinity be, I will walk and I will talk and I will speak and the mighty-thought will be brought low.

59. It's all different, I told you, I told you years ago, I told you, I told you, you knew something would happen that would change, change all the rules because so many of the rules are so perverted. You knew that and you know it so much more now today. I am freedom, I am freedom and where I am there is freedom. **The hierarchical command**

and control structures of the past are powerless. You know that, I've said that, I've spoken that before. Now it's time for My body to know that, My church to know that, those who think they are so holy to know that. I am freedom, I am freedom and there are new structures coming about in Me, new churches, new paradigms of power, new ways to convey My grace and glory in structures not even thought of Me, by many who think they know Me so well.

60. Now listen to Me and let Me flow in every circumstance and every vocation. Let Me flow in you where you are. Let Me flow in you where you are. Let Me flow in you where you are, doing what you are doing today. Let Me begin to flow. Let Me flow and let My river rise, for My river rises and My river flows mightily now.

61. **Write down this date and remember it, remember it--My river flows, My dam is un-dammed and I flow and My river rises and it will never lower again;** for the grace and glory of My power and My power in these words, and My power in My words that will come through you if you let Me, if you will believe, if you will let Me do the work instead of you doing the work, if you will let Me flow, if you will learn what relationships are all about, and why I am relation-shiping My people.

62. **Didn't I say study,** study, study, study to show yourself approved, not in the intellectual pursuit, but in spirit and in truth? I love you so much.

63. You who err do err so much, but not beyond My grace and glory, not beyond My grace and glory, not beyond My mercy, My mercy seat, My hands outreached extended to you this day.

64. **Write down this day and forever be Mine, and come and behold and embrace, embrace, see Me, review these words, remember them, re-read them.** I come and I call and I am moving now to the forefront, to the forefront of pages one, of page one of headlines, and reserved for a line or two on back pages no more.

65. See Me, see Me and let Me speak, let Me call, let Me confirm, let Me create through you and give you the formulas, the secrets for powers yet even unknown. To create, to create the molecular structures, structures which use My molecules; cells, the cells of My body to create, the cells of My body coming forth in power. The cellular level, yes, and more, so much more; supersonic and subsonic not.

66. Now come, come. Cry with Me over those who I cry for. Dance with Me with those who I dance with. Control no one and let Me be Me. I love you and I give you Me. I give you all of Me. I give you all of Me to create, to create. Why are you not creating? Why are you not creating? Why are you not creating? Why would I withhold the ability to create when I like to create and I created you? Do you not think I created the power within you to create when I created you?

67. Am I not in the image of My Father? Am I not in the image of My Father? Tell Me, read, study, dig it out, mine Me, mine Me, mine Me. Am I not made in the image of My Father? Did we not make you in our image? (laughter) I love you. (A red cardinal just flew by, so close to Me.) I love you and I gave you Me and within Me is the ability to create, if you let Me.

68. Now let Me create and be not subject to circumstances. Circumstances seem so replete, so full, so forceful, so controlling, so restricting. Am I subject to your circumstances? Am I? Am I? Answer Me, answer Me out loud. Am I subject to your circumstances? If I am not subject to your circumstances, and you receive Me and I reside in you, the fullness of the Godhead bodily, the I Am inside you, am I subject to your circumstances? And if I'm inside you in that manner, free, and freedom where you have given Me freedom to operate; when you give Me the freedom to operate that I have given you the freedom to operate in, you will operate in Me and see Me and be Me in ways that at this moment you cannot imagine, you cannot comprehend.

69. The flesh denies the existence of the supersonic, circumstance-rending, limitless, inventive, creating, all-encompassing, global-izing, relation-shipping My body, Christ.

70. Now I come and I call you and I confirm what I am doing and what I am saying. Now you who have been so restrictive in My body, so careful to check the pedigree of those who you let in, who sit beside you, who stink not but look so pretty, smell so good, I rebuke you. I come to you and I call you to My knee this day and I tell you to open to Me. Open to My homeless, feed My hungry, operate in the power and might of My body, read My scriptures in newness of life, with new eyes not in the eyes of tradition and history.

71. This is a cataclysmic day, a cataclysmic day, a day of cataclysmic change.

72. Now listen to Me, listen to Me and you operate in My fullness if you want to, restrict Me not, allow Me to speak, see Me. Did I not come? Did I not come? Did I not say "I did only what the Father showed Me, I said only what the Father said?"

73. Now come and be Me and listen and enjoy Me and enjoy life to the fullest. Do you think that I did not enjoy life? Do you think that I came and I was so serious and that I never laughed? Do you think I didn't frolic and enjoy the friendship of My people, My disciples, My friends? I came and I had great sorrow and great sorrow was a part of My life for I knew what I was to do and I knew how to do it, because He showed Me, **He told Me**, I knew--and yet simultaneously there were many times of great joy and laughter and I laughed, and I laugh with you and I relationship you to laugh and have great joy, great joy with others around My globe, on sea shores of Tripoli. (laughter) I told you once, didn't I? Yes. I love you.

74. Now listen to Me-- you who of Me want to be, you of you who want to be Me are, you of who want to be to be released in fullness-- restrict Me not, restrict Me not and I will come and I will call and I will speak before breakfast. I will speak after breakfast. I will speak at lunch. Share Me, share Me, share Me. Guts arise in you this day.

75. I proclaim the day, the rising, the day of arising, the day of arising My people, My people arising in might and glory and honor, power and prowess, oneness and unity, afraid not of each other, afraid not of dogmas, dividing not over nuances of doctrine.

76. Now see Me and press into the real. Press into My principles, press into My principles but yea so much more than any principles, press into Me and the relationship

with Me where you open your mouth, you open your mouth and you speak to Me and let Me speak. And you who have prayers only that you have prayed so repetitively, let Me speak. Open your mouth and let Me speak. **Let Me speak, let Me speak.** Open your mouth and be willing to fail, even as a child learning to ride a bicycle, learning to write, learning to speak, learning to write and speak My word.

77. I have given instruction after instruction that the error-filled prophet shall not be cast into outer darkness. This is not the time of times past, this is the time of arising in grace and glory.

78. Now read My words, review My words, the words of My servant having come forth, the words of purity, grace and glory. Now listen and allow Me to rise and mature My people. Allow Me to arise in you and allow Me to rise in those around you and defeat not the dreams and visions, but demolish the strongholds of indoctrination and religion that limit Me.

79. Now let Me speak, let Me come, let Me call increasingly. Encourage each other. Stir up the gifts of God in you. Stir up the gifts I that I have placed in you, and I have placed so many in every single one of you. Now let Me rise. I am arising. Flow with Me. Buoy Me for I am buoyed and I am buoying you. I love you and I bless you this day. I give you Me. I give you more. I give you more. I give you more now, every day I give you more, every day you come to Me like this I will give you more. You, you, you, even you who are so timid, so afraid, so shy, I withhold not My word from you. I am in you. See Me. See Me. See Me. I come and I call and I confirm. Haven't I said day after day, let Me fly, come fly with Me, soar with Me? See Me above the limitations that you now experience. I am bringing relationships from afar, from afar, from a far to you this day-- you who let Me.

80. Everyone of you who let Me, I am bringing you relationships from near and afar-- those under your nose who you have not seen as friends, as people of God, people that can hear My voice and share and encourage and bless and develop dreams in each other, develop what I have given.

81. See Me. See Me. See how I come and I develop, I envelop, I empower. Come and see Me now. Destroy not the dreams, the visions, the words of those who will begin in Me and even weak be.

82. Let Me come and let Me flow, let Me empower you, let Me give you My tenderness, to pull forth, to draw out in great wisdom and discernment and skill the ability of those to hear Me and hear Me well.

83. Write Me and empowered be, being educated by Me at My knee. I love you and I give you Me. I love you and I give you Me. I give you chapters, I give you verses, I give you revelation, I give you whole books in one sitting. I said that once, I will say it again and I will say it over and over. **Now I am speaking and I am filling the earth with My word. I am filling the earth with My word and that did not, does not mean filling the earth with one book of Me written time ago. I am filling the earth with My word now, today, today, today built on foundations royal, foundations permanent, foundations**

eternal now expanding coming into the world, coming into your world, coming into the world of every single person who will let Me--replete, restricting Me not.

84. You don't set Me aside, you don't set Me aside, you don't set My voice aside in any moment of your day, in any moment of day of your day, even in moments of tenderness and intimacy with your spouse, I am there, I am with you. See Me. See Me. See those especial tender moments, see Me as special, see Me as special, see those as tender moments with Me, triune be. I love you. See Me. Feel Me. I am you. I am in you. I am I Am and I am 'I Am-ing' My people. Now listen and reveal Me more and more and let Me flow. I love you. I give you this day. I empower you. I love you.

85. London royal, I love you. London, I love you. London, My people of London, I love you. My people of Nigeria, My people of Africa, My people of every continent, My people of My hand, My hand, I love you. I take you to every country. I take My words to every country, I take My words into every language, tribe, and tongue, to be proclaimed by every single tribe, nation, and tongue alive that there is.

86. I speak, I decree, I declare, I come, I call and I confirm and I declare. I decree and I speak and I come and I call and I confirm that I am in these words; that I have been in these words, that I have spoken these words and My servant has spoken these words and I love you and I bless you and I give you Me. I desire to give you words. I desire to speak through you just like this and more. Limit Me not. Limit Me not to the thinking of Ted or Teds or anyone else.

87. I come and I call you individually today in the fullness of power and grace and glory to arise in the might and power, grace and glory to walk in the halls of power and prowess and I limit you not. I limit you not. I've said it and I've said it and I've said it and I'll say it so much more.

88. Hear Me and know My love and the power of My love this day which is restricted in you not and never will be. I am freedom and I give you Me. Blessings be upon you this day. My peace, My peace, My peace, My peace to you this day, empowered be. Walk now in the power and might of who I am and you are in I Am. I love you.

Good Day
